

Utah Chapter 2010 ATV Ride

Date: August 13,14, and 15!

Place: Thousand Lakes Mountain

Nearest Town: Loa, Utah (That's in Wayne County) approximately 10-12 miles from our campsite

The plan is to camp on the mountain. The site will be one that is not improved so bring your trailers or tents and enough supplies for your needs. If you don't want to camp there are some motels within 10 to 30 miles away. The road up onto the mountain is well maintained but a bit steep in one part. There shouldn't be a problem for any vehicle to get there.

Friday evening meal will be provided, if you dare eat out of a Dutch-oven. More information to follow.

There will be a map showing directions to campsite. There is great 4-wheeler riding and good mountain lake fishing. The scenery and views from this mountain are breath-taking!

Please RSVP so we can plan for numbers. Kirk Jacobson (801) 491-7832
