"This year we are trying something different". **Friday** will be a day for you to explore the trails on your own. **Saturday** we will meet for the only group ride at 9:00 am. **Sunday** will be another day for you to explore the trails on your own. If you need some ideas on places to ride, stop by my motor home and I can show you some great areas to ride on the map. For the group ride on Saturday we will be going on a full day ride from Marysvale and returning in the afternoon/evening. Most of the trails are dirt roads that any type of rider could handle. There are a few areas that are for ATV's only and the trail is just big enough for your machine. We will make sure you have a great time. The group ride on Saturday will be split up into two groups, the easy riders and the more advanced riders. So don't be afraid, the easy riders group takes it nice and easy...really!

For some pictures of the Paiute trail check out the Marysvale link above and the Chapter page at: <http://www.utahicc.org>

Please RSVP BY July 10th If you have any questions or want to RSVP, email me, Bill Bell at bdbell@orem.org or call 801-229-7053
